INSTRUCTIONS: This Form is for use in preparing Certificate of Correction copy for printing by the Patent and Trademark Office.

- Return both parts of this form. **DO NOT FURNISH PHOTOCOPIES FOR PRINTING.**
- Type within the borders printed on the form.
- Use a typewriter that will give clean, clear impressions. Unsuitable copy will have to be retyped and therefore delay printing.
Use a typewriter with a carbon ribbon if possible. If a fabric typewriter is used, the ribbon should be medium inked and in good condition. Changes are best made with white correction fluid.
- If necessary, staple in the area indicated in the left margin, **ONLY**.
- Type mailing address and patent number below within the perforated area.
- Indicate additional printed copies requested 50¢ per page.
- A two-inch blank space should be left at the bottom of the last page of the form for the placement of the signature of the Attesting Officer.
